Student Technology Fee
Operating/Maintenance/Infrastructure Request Form
Fiscal Year 2009-10
Northwestern State University of Louisiana

ALL BLANKS MUST BE FILLED COMPLETELY

Prepared by: __STAT_______________ For: __Campus Initiative_________

Department/Unit: __STAT_______ College: _______________ Campus: Campus Community

Which NSTEP Goals/Objectives does this project meet? ___1-10____________________

Requested equipment will be located/installed/housed? Building: __Campus Community____

Are department property policies and procedures in place for requested equipment? ___Yes___

Which individual will be responsible for property control of the requested equipment?

Signature: _________________________ Date: ________________

Proposal Requested Amount: __$_107,909.80______ Budget Attached (circle one): YES/NO

Proposal delivered to Student Technology located in Watson Library, Room 113. Date _____

The proposal must include all specifications, description, model number, quotation, cost, state contract number, and vendor for each item. If the proposal does not include all requested information, it will be returned to requestor.

1. Describe target audience.

All students on all NSU campuses will benefit from these purchases.

2. Describe project/initiative for which you are requesting funds.

Supplies for student labs; Anti-Virus, AD and printing software to maintain student labs; SPSS to maintain current software upgrades; Resource copier for student use; and Microsoft License to maintain with current software upgrades and versions.

3. State measurable objectives that will be used to determine the impact/effectiveness of the project.

To enhance student learning for all NSU students.
4. Indicate how each project objective will be evaluated.

The effectiveness of the equipment will be evaluated by the usage of the equipment by the student body at the different locations.

5. If funded, which NSTEP objective(s) will this funding of this project advance. How will funding of the project advance the University and College/unit technology plan?

Objectives 1, 2, 3, 4, 5 and 9 will be enhanced.

6. Provide a justification for funding of this project. Estimate the number of student that will be served per academic year and in what ways. Please indicate also any unique needs of the target group.

This project will directly affect all students on the Natchitoches, Shreveport and Ft. Polk campuses. Distance learning students will also benefit from the purchase.

7. List those individuals who will be responsible for the implementation of the project/initiative and indicate their demonstrated abilities to accomplish the objectives of the project.

Jennifer Long, Student Technology – will serve as project manager

8. Describe any personnel (technical or otherwise) required to support the project/initiative.

Student Technology will be provide all technical support necessary.

9. Provide a schedule for implementation and evaluation.

Funding – September
Purchase – October
Installation – October/November
Equipment should be available for student use in November.

10. Estimate the expected life of hardware and software. Explain any anticipated equipment/software upgrades during the next five years.

The hardware should have a life span from 4 – 5 years. This equipment is in a rotation of replacement for student use.

11. Explain in detail a plan and policy that will be in place to ensure property security/controls for any equipment received through a Student Technology Fee.

If you are requesting equipment that will be either/or checkout to students or moved within the department, you must provide a checkout/loan policy.

The department will follow property controls already in place by the university.

12. Attach a letter of support for the project signed by the requesting unit’s Dean, the appropriate Vice President (for non-academic units), or the SGA President from the requesting campus (for student requests).

Attached.
