Student Technology Fee
Funding Request Form
Special Initiative Fiscal Year 2006-07
Northwestern State University of Louisiana

This document will not be accepted without complete information, detailed budget, specifications of each piece of equipment requested and pricing.

Prepared by: Shantel Wempren For: Student Government

College: ______________________ Campus: Natchitoches Department: __Student Activities

Where will requested equipment be located/installed/housed: Bldg. Friedman Union Room 222

Are property policies and procedures in place by the department for equipment requested. Yes

Delivery to the Student Technology office located in Watson Library, Room 113. Date ____________

1. Describe target audience.
The Target Audience is Students who are in SGA. Other students will be affected through SGA Programs.

2. Describe project/initiative for which you are requesting funds.
A printer for the SGA Office.

3. State measurable objectives that will be used to determine the impact/effectiveness of the project.
   Student participation in SGA activities.
   Increased productivity by SGA members.

4. Indicate how each project objective will be evaluated.
The project will be evaluated by SGA Executives at the end of each term.

5. Provide a justification for funding of the project. Estimate the number of students that will be served per academic year and in what ways. Please indicate also any unique needs of the target group.

Students are served on a daily basis by the SGA. The printer will be used by all members of the SGA to do various tasks. Grant forms, legislation and signs are printed daily to help students or inform students about various things happening on campus.

6. If funded, which NSTEP (http://www.nsula.edu/nstep/NSTEP.pdf) objective will this funding of this project advance. How will funding of the project advance the University and College / unit technology plan?

Obj. 1 To increase access to technology by students, faculty and staff of Northwestern.
Obj. 3 To provide labs with modern technology.
Obj. 7 To provide processes that encourage technology initiatives by faculty, staff and students.
Obj. 8 To encourage innovation and research.

7. List those individuals who will be responsible for the implementation of the project/initiative and indicate their demonstrated abilities to accomplish the objectives of the project.
   SGA President S. Wempren
   SGA Vice President J. Ingargiola

8. Describe any personnel (technical or otherwise) required to support the project/initiative.

   None

9. Provide a schedule for implementation and evaluation.
   FA 06- Grant Approved
   FA06- Technology arrives, use begins.
   SP-07 Evaluation

10. Estimate the expected life of hardware and software. Explain any anticipated equipment/software upgrades during the next five years.
    The hardware should last an estimated five years. No software updates are expected.

11. Explain in detail a plan and policy that will be in place to ensure property security/controls for any equipment received through Student Tech Fee.
    The outer office door is kept locked when SGA Members are not in the office. This door is accessible by Cabinet members. The printer will be kept in an inner office that requires a cabinet member with a key for entry.

12. Attach a detailed budget, including: specs., description, cost, state contract number, and vendor for each item; cost of outside support personnel; and a description of how the proposal will support University/College/unit resources (i.e., cash match, funds from other sources, or reallocation of existing hardware/software or other equipment. All of the information requested must be attached or the request will not be accepted. Attached.

13. Attach a letter of support for the project signed by the requesting unit’s Dean, the appropriate Vice President (for non-academic units), or the SGA President from the requesting campus (for student requests). Attached.

* The estimated lease cost is the monthly payment amount for a lease commencing on or before 8/19/2006 with a term of 36 months and a fair market value purchase option at the end of the lease term. This and other leasing and financing options are available through Hewlett-Packard Financial Service Company (HPFSC) or one of its affiliates to qualified education and state and local customers in the U.S. and subject to credit approval and execution of standard HPFSC documentation. Fees and other restrictions may apply. This is not a commitment to lease. Rates and payments are subject to change at any time without notice. Leasing and financing options for Federal governmental agencies (subject to a $50,000 minimum) are available from Hewlett-Packard Company. For more information, call Hewlett-Packard Financial Services Company at 1-888-277-5942 and talk to a financial services representative who specializes in supporting government and education entities.

* HP is not liable for pricing errors. If you place an order for a product that was incorrectly priced, we will cancel your order and credit you for any charges. In the event that we inadvertently ship an order based on a pricing error, we will issue a revised invoice to you for the correct price and contact you to obtain your authorization for the additional charge, or assist you with return of the product. If the pricing error results in an overcharge to you, HP will credit your account for the amount overcharged.

* For detailed warranty information, please go to www.hp.com/go/specificwarrantyinfo. Sales taxes added where applicable. Freight is FOB Destination.
August 23, 2006

As the currently serving SGA President, I fully support the new printer grant. The SGA needs an updated printer to communicate with the newer machines it is incorporating. The printer will help to produce grant forms, signs, legislation and other important paraphernalia.

Regards,

Shantel M. Wempren
President
Student Government Association
